

CAPABILITIES REVIEW

ABC has been in the office equipment business since 1981, locally owned and operated by the same people that started the business over 40 years ago. Recently, ABC was awarded the Prestigious Chairman's Award from Ricoh. ABC was also named a preferred financial partner for the fourth year straight with our banking relationships, and most recently were awarded entry into the Ricoh Eco Excellence Program. We have a broad range of products to offer our customers, and are an unparalleled single source provider that is unique in our industry. Being an independent dealer, our product range and offering can be custom tailored to our customer needs. With ABC, you can be assured of working with a company that has a long history of success where our customers are also our stakeholders. We are not only personal, but also responsive and adaptable in our customer relationships. Our dedication to our customers and the service industry led us to the 2011 acquisition of Zimmer's Duplicating Products and their 65+ years of industry experience that has complimented and enhanced our overall product offerings.

ABC is an authorized dealer for all major government contracts: **COSTARS / PEPPM** in PA, **State of Ohio Contracts** in OH, **U.S. Communities/OMNIA**, as well as **Federal GSA Schedule**.
